

**Midwest Central Railroad  
Operations Department  
Daily Schedule**

Cargo to be moved:

1. Pick up eight carloads of livestock from Kingmine Ranch, MP38.0  
Unload at Armour Meat Packing plant, MP14.9  
When complete, park the train on Track 1 of the main yard, MP17.2
2. Pick up 16 carloads of coal at Big Walker Mountain Coal Co., MP10.7  
Unload at East Shelton Power Plant, MP0.5  
When complete, park the train on track 1 of East Shelton Yard, MP0.0
3. Pick up 15 carloads of Limestone Aggregate at Dawson Limestone, MP35.9  
Unload at Allied Cement in Westfield, MP48.0  
When complete park the train on track 1 of the Westfield Yard, MP48.3
4. Pick up 8 carloads of livestock from Crown Ranch, MP29.6  
Unload at Armour Meat Packing plant, MP14.9  
When complete, park the train on Track 1 on the main yard, MP17.2
5. Pick up 12 carloads of lumber from Garfield Lumber Mill, MP18.3  
Deliver to IKEA Manufacturing in Huntersville, MP14.4  
When complete, park the train on track 2 of the main yard, MP17.2
6. Pick up 8 carloads of petrol fuel at the main yard, Track 8.  
Deliver to LLJ Oil, MP27.6  
Reload the cars with petrol fuel at Tremont Refinery, MP28.2  
When complete, park the train on track 2 of the Westfield Yard, MP48.5
7. At approximately 13:20, a Union Pacific train will arrive at Westfield Yard. After a brief pause, it will depart, leaving five boxcars of high priority automobile engines and auto parts. Take these loads immediately to Midway Auto Plant, just south of the main yard at MP17.2. Unload at Dock Area 2. When complete, park the train on track 6 at the main yard. Delivery at Midway must be complete by 14:15.

Multiple loads may be combined into a single train, such as the two livestock loads. Session ends when all user-controlled trains are parked in the yards. You are responsible for all junctions. Restore all mainline turnouts after use.
